16 jam-packed days ready to beat the winter blues

The coldest days of the year will soon welcome Extend school holiday program at locations across Melbourne. Up to 16 fun-filled days of arts & crafts, science, cooking, sports, science and drama have been planned to keep children busy during the dull winter season.

“Despite the rainy days ahead the kids are sure be just as entertained, just as engaged, and just as happy during our winter school holiday program” states Darren Stevenson, Extend Director. “The kids may think that there isn’t much to look forward to during the winter holidays, but we ensure there aren’t any wet days inside with nothing to do.” Children will be crafting totem super heroes, learning the science of invisible ink, constructing models, and even learning the skills of European handball. With up to 108 activities and games planned for the upcoming Winter school holiday program at Extend, children are sure to beat the rainy days ahead.

To find out what’s on visit www.extend.com.au for brochures, enrolment forms, timetable information and detailed activity descriptions for each holiday program. Extend will run the Winter 2011 school holiday program at locations across Melbourne including Caulfield, Essendon Kew, Mt. Eliza, Ormond and Sunbury from **Monday 27 June to Monday 18 July 2011**.

ATTN: ALL JOURNALISTS! Below are great photo opportunities for your local paper:

*Brickworks! *Australian Animals! *Creative Fashion! *Model Building! *Dangerous Dinos!
