29 March 2011

### 58 activities and games in 9 super-sized days

With the end of the school term creeping up fast, Extend is once again ready to deliver fun and engaging school holiday programs across Melbourne.

Each Extend school holiday program this autumn will involve a total of 58 planned activities or games - 26 core activities, 27 additional activities and games, incursions, party afternoons, and a themed cultural day – **all jam-packed in only a 9 day program**. “Although the Term 1 school holiday program is the shortest one in the year, there is definitely no shortage of activities and games for the kids to engage in. I send my own kids to our holiday programs because they love it”, states Darren Stevenson, Extend Director and proud father of two. “If you break it down there is about 6 or 7 quality activities and games that each child will participate in on any given day. Apart from the kids having an absolute ball, they are well cared for by qualified and trained staff. It makes sense to send them to holiday program rather than have them sitting in front of the computer all day!”

To find out what's on visit [www.extend.com.au](http://www.extend.com.au) for brochures, enrolment forms, timetable information and detailed activity descriptions for each holiday program. Extend will run the Autumn 2011 school holiday program at locations across Melbourne including Caulfield, Essendon Kew, Mt. Eliza, Ormond and Sunbury from Monday 11 April – Thursday 21 April.

**ATTN: ALL JOURNALISTS! Below are great photo opportunities for your local paper:**

\*Medieval Times! \*Pirates! \*Remote Control Vehicles! \*Toys over Time! \*Around the World theme day!

Contact Joanne Ma at Head Office for further details and to make an appointment at your local school.
