enrolment hotline: 9818 2139

## extend strengths

- Our focus is on high quality tuition and learning to prepare students for VCE and IB courses.
- Our staff are highly qualified and experienced for the course they deliver.
- We have a 20-year history of delivering quality life enhancing programs.
- Our programs are well structured and carefully planned to maximise the benefits for all participants.
- We are results focused and help students develop the necessary confidence for VCE and IB studies.

## extend staff

Staff members have been specifically chosen for their qualifications, ability, and dedication to education. Our extend summer school teachers have specific experience & qualifications in the subject they are delivering. Each area has a trained first aid employee available. See website for more information on individual staff.

## cancellations

Families are asked to let Extend (Australia) know of any changes to the original enrolments. 48 hours notice of cancellations is required in writing, (by post or email), for fees to be refunded or transferred to another program. An administrative fee of \$33 will be charged for all cancellations. Transfers and refunds cannot be considered after the commencement of the enrolled program.

## program details

- Extend summer school is open to boys and girls from all schools.
- Each student will receive a comprehensive manual, which has been specifically structured to support the course.
- Extend summer school is based at Methodist Ladies' College in Kew. Room allocations will be confirmed upon enrolment.
- Study skills, advanced reading skills & essay skills will be conducted by ICS Learning Group.
- Maximum of 20 students per class for VCE & IB classes will be strictly adhered to.
- If insufficient students enrol for a subject, this course may be cancelled and full fees refunded.
- Times are subject to change, any students affected will be notified in advance.
- Written notification of withdrawals must be received two business days before course commencement to be considered for a refund.
- In the unlikely event of activity cancellation, power failure, transport strikes or any usual business risk, the program maybe subject to change without notice.
