“Extend’s Got Talent” show - Sharing the joy of Children’s Week 2010

Extend will be celebrating Children’s Week 2010 with the “Extend’s Got Talent” show at after school care locations across Melbourne.

Children will have the opportunity to make the necessary preparations at the commencement of that week on Monday 25 October through to Thursday 28 October including making their props, costumes and practicing for the talent show. “The purpose of Children’s Week is to celebrate children’s talents, skills and abilities, and we think that this aligns perfectly with Extend’s own philosophy, which is to offer young people a unique opportunity to participate in a new adventure which will form part of their life long experience” states Darren Stevenson, Extend Director. “The “Extend’s Got Talent” show is a very popular activity with the kids, so we’ve integrated this into our regular after school care sessions in Melbourne in conjunction with Children’s Week. Kids can participate by making props and costumes, performing, or even just as an audience member. Parents are welcome to attend and join us in celebrating Children’s Week as well”.

Family and friends are welcome to join in the activities outlined below.
