Roll up, roll up! Extend circus pays a visit to local Primary School!

As the teachers at Our Lady Help of Christians, East Brunswick closed the classroom doors on Wednesday 29 July for school closure day, the students came out to play under the circus big top. Extend Outside School Hours Care (OSHC) transformed the OSHC room into a "Circus Fun" theme day with hacky-sac making, juggling, hula-hoops, face painting, and other circus themed activities and games to keep the little clowns, ringleaders, and circus performers busy.

Extend, the National Kid's Activities Specialists, have been delivering school based programs for over 20 years. "We have been running the OSHC program at Our Lady Help of Christians for over 12 months now, and have since built a great relationship with the school and families", states Jarrod Macdonald, Extend Programs Manager; "the staff at the program love working with the kids because they're so full of energy. Not one day is ever the same as the other".
