## Media Release

For immediate release  
21 October 2009

### Students to experience Hollywood during Melbourne Cup weekend!

On Monday 2 November during the Melbourne Cup long weekend, primary school students from schools across Melbourne will be enjoying a Hollywood theme day at school. Extend, the Kids Activities Specialists, have prepared a theme day for the kids at participating Melbourne primary schools to ensure they do not miss out on the fun during the lively long weekend! Kids in Hollywood themed costumes are welcomed on the day as they prepare to do many activities including their very own talent show, mask making, dramatic role playing and more!

Extend, one of the nation's top providers of Outside School Hours Care, has been delivering school based programs for over 20 years. Activities are high quality, educational and fun, designed to build children's skills while keeping them entertained. Extend has delivered several themed based programs on school closure days in the past, the most popular this year being "Superheroes & Magical Wonderland" and "Circus Fun!"

"We like to introduce themed-based programs that stimulate each child's imagination. By keeping these themes stimulating for the children, it remains educational, but most importantly, it's entertaining and fun for the kids!" states Darren Stevenson, Extend Managing Director.
