Kilvington Girls' Grammar to begin summer holidays with NEW holiday program!

Kilvington Girls' Grammar, a prestigious girls school located in Ormond is partnering with *Extend* these summer holidays to launch a new and exciting holiday program.

Extend, one of the nation's top private providers of Outside School Hours Care is delighted to be collaborating with Kilvington Girls' Grammar, which has a history dating back to 1923. Kilvington Girls' Grammar and Extend recognise that children benefit from being in a safe, nurturing and stimulating environment where they can be happy and achieve their best. "Extend aims to offer young people a unique opportunity which will form part of their life long experience. We aim to encourage their chosen interests and allow them to flourish," Darren Stevenson, Extend Managing Director states; "As the Extend philosophy aligns with the core values at Kilvington Girls' Grammar, we know that this is the beginning of a great relationship with the school, families and the community".

School holidays at Kilvington Girls' Grammar will commence on Wednesday 9 December 2009 and will conclude on Thursday 28 January 2010. Students can look forward to incursions including the "Gym Bus", "Roaming Reptiles", "Curious Legends" workshop and "Animals on the Move". In addition to that, craft, science and sports activities will keep kids occupied either for a full day or half day session.

As Extend is an Approved and Registered Child Care Provider, eligible families are able to take advantage of government fee relief. Families who are eligible for the Child Care Benefit may be paying as little as \$14.70 per child for a full day. Families with a high income may still be able to take advantage of the 50% Child Care Rebate which is NOT means-tested and equates to \$30 per child per day. Extend is now taking enrolments for the December/January school holidays for primary school aged boys and girls. Visit www.extend.com.au for more information or call the enrolment hotline on 1300 366 437 today to secure your booking.
