Instructions: Please follow the instructions according to your school level below.

Grade 2 and under: Draw a picture on this page to match the heading below.

Grade 3-6: Write a short story on this page to match the heading below (grades 3&4 will be judged separately to grades 5&6). Please keep it on one page only on this template.

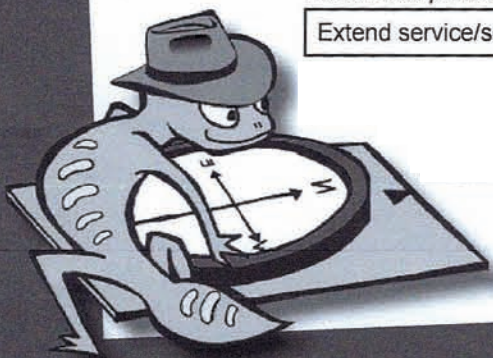

"GILBERT THE GECKO EXPLORES THE WORLD"

Hello everyone. You are reading my magnificent story. I'm Gilbert the Gecko and I'm about to tell you about my great holiday. First you must know my destination. That is, Space! I know you will be thinking how silly it is for a gecko to go in space. But let me tell you, I am really smart. Now, to go on, I first built my own spaceship. It is called GECKS 3170. After that, I had brought a spacesuit. It fitted perfectly but on the outside it was really poofy. Well after that, I was ready to go, so I launched out into space. I looked out of the windows and I could see millions of stars while I drove my spaceship past Mars. My real goal, or highlight, of my holiday was to go on the S.R.R. That stands for Saturn Rings Rollercoaster. I heard humans talking about it a few days ago, back on Planet Earth. When I finally reached Saturn, I so excited and scared at the same time, that tears of joy rolled down my cheeks. When it was my turn, I sat in one of the seat and fastened my seat belt. The next two minutes were the most thrilling of my life. After that I returned to Planet Earth and I was so tired that I slept for 4 days in a row. I had a great holiday.

Please complete the details below. Parent details are kept confidential.

Extend service/school: KILVINGTON GRAMMAR

Child's year level: 6

PLEASE RETURN YOUR COMPLETED ENTRY TO:

Extend Head Office: 30-32 Hull Street, Richmond VIC 3121
