More to Extend's Holiday Program than what meets the eye

For families going away these School Holidays flights are being booked, accommodation arrangements are being confirmed and bags are being packed. On the other hand, families who are staying put certainly aren't missing out.

Extend – The Kid's Activities Specialists have been keeping busy behind the scenes carefully planning and preparing for what is set to be another jam packed holiday program at Extend's programs in Cannon Hill, Toowoomba, Malvern, Brunswick, Essendon, Mount Eliza, Glen Waverley, Sunbury, Kew and Caulfield and its already in full swing!

Jarrold Macdonald, Programs Coordinator says "the amount of preparation that goes into one individual program is huge, we started planning activities, ordering materials, implementing staff, organising equipment, designing and printing brochures, communicating and distributing information months ago". Extend is delivering eleven Holiday Programs across Victoria and Queensland in July and understands that quality is paramount.

Extend's Holiday Program offers a unique selection of activities allowing children to be creative and have fun while learning new skills. Extend's expertise is evident in the management and delivery of each program on both the small and large scale operations. If you would like to view an Extend brochure please visit www.extend.com.au , select a location near you and book today. Try a half day or a full day, and experience the difference at Extend.
