

Extend Position Description

Position:	Assistant
Reports to:	Coordinator
Department:	Outside School Hours Care (OSHC / OOSH)
Date:	2009

Primary Purpose

Outside School Hours Care (OSHC/ OOSH) may include Before School Care, After School Care or Vacation Care.

The Assistant is responsible for:

- Providing a high level of customer service.
- Assisting with the planning and delivering activities for primary school aged children, which are safe, fun, stimulating and carry educational value.
- The welfare and safety of children within activities.
- Deliver high-quality and value-for-money activities.
- Following Extend policies and procedures.

Position in Context

The Assistant is responsible to the Coordinator. The role of the Assistant includes meeting and greeting families as they arrive, ensuring sign-in and sign-out procedures are followed and delivering a range of planned activities for children. Outside School Hours Care includes sports and physical activities, artistic and creative activities and a homework club for children who need structured guidance to complete homework at the end of the day. Children must be supervised at all times.

The Assistant is required to follow policies and procedures for children's safety and welfare such as sign-in and sign-out sheets, incident and accident reports, weekly and monthly attendance reports.

The Assistant is responsible for adherence to the Outside School Hours Care Quality Assurance process (as directed by the Coordinator).

Freedom to Act / Autonomy

The Assistant is responsible for delivering activities in OSHC and is required to exercise judgment in determining appropriate activities for the safety and welfare of the children involved in the activities.

Major Responsibilities and Duties (Key Performance Indicators)

1. Effectively assist in the operation of the Outside School Hours Care Service.

- Assist in the planning, implementation and evaluation of a stimulating and diverse program relevant to the developmental needs of children attending the service including those with additional needs.
- Use resources effectively.
- Establish and apply appropriate guidelines that encourage positive behaviour.

- Facilitate effective interaction between groups and individuals utilising the service.
- Administer procedures that ensure the health and safety of those using the service.
- Implement daily activities.
- Report observations of individuals or groups of children for planning purposes.
- Attend Outside School Hours Care raining and networks when appropriate.
- Operate service in accordance with the National Standards for Outside School Hours Services.
- Contribute to Self Study and Continuing Improvement as part of OSHC Quality Assurance.

2. Communication and liaison with families and the community

- Assist the Coordinator with developing and maintaining a positive partnership with parents and guardians. This involves greeting parents and informing them of any relevant information regarding their children.
- Assist the Coordinator to establish and maintain links with the School Community, local networks, resource agencies and other relevant organisations.

3. Staff communication and supervision

- Receive supervise and support from the Coordinator.
- Communicate effectively with all staff.
