It's a quirky mix of African Dance, Robotics, and Footy Fever

Melbourne kids are sure to be entertained at the Extend School Holiday Program this spring.

With a quirky combo incorporating the energetic moves of African Dance and the mind-boggling mechanics of Robotics – there's enough variety for boys and girls of all ages. Throw into the mix a touch of true blue Aussie spirit with grand final celebrations and it's the perfect holiday program for kids across Melbourne. "Our Programs Management team works hard to ensure the activities and games we offer are fun, entertaining and engaging for kids. That's why we focus on variety and quality, while looking at local events or traditions that the kids can relate to, which is the footy season in spring" states Darren Stevenson, Extend Director. "We've also planned quite a few cultural-based activities, including Rangoli Art, Aboriginal and African team games. The kids also love learning about other cultures which at times can be quite different to what they're use to. Combining a variety of activities means our kids are always engaged, always learning, and most importantly - always having fun."

To find out what's on visit www.extend.com.au for brochures, enrolment forms, timetable information and detailed activity descriptions for each holiday program. Extend will run the Spring 2011 school holiday program at locations across Melbourne including Caulfield, Essendon, Kew, Mt. Eliza, Ormond and Sunbury from **Monday 19 September to Monday 10 October 2011**.

ATTN: ALL JOURNALISTS! Below are great photo opportunities for your local paper:

*African Dance! *Robotics! *Footy Mascots *Halloween party *Tweet-iful Kites

Contact Joanne Ma at Head Office for further details and to make an appointment at your local school.
